Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to The Board of Directors S Chand And Company Limited

- 1. We have reviewed the accompanying statement of unaudited standalone financial results of S Chand And Company Limited (the "Company") for the quarter ended June 30, 2020 and year to date from April 01, 2020 to June 30, 2020 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
- 2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. Basis for qualified conclusion

As explained in the note 11 of the standalone financial results, due to travel restrictions and impracticability to travel on account of COVID-19 as at March 31, 2020 and due to significant business activities subsequent to year-end, the management could not perform physical count of inventory as at June 30, 2020 through to the date of approval of these financial statements. Accordingly, we were not able to observe the physical count of inventory, therefore, we were unable to verify the existence/condition of inventories of ₹ 93.15 million raw material, ₹ 533.77 million finished goods, ₹ 3.42 million traded goods to determine adjustments that may be required to be made in the value of inventory and consequential effect thereof to the financial statements as at June 30, 2020. Our audit report for March year end and quarter was also modified in respect of this matter.

5. Qualified Conclusion

Based on our review conducted as above, except for the effects of our observations in paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. Emphasis of Matter

We draw attention to Note 10 to the standalone financial results for the quarter and year ended June 30, 2020, which describes i) the uncertainties and the impact of COVID 19 on carrying value of receivables, inventory, Right to Use assets and Investment in subsidiaries and ii) Company's ability to meet contractual obligations including debt repayments, as assessed by the management. The actual results may differ from such estimates depending on future developments. Our conclusion is not modified in respect of this matter

Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Consolidated Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to The Board of Directors S Chand And Company Limited

- 1. We have reviewed the accompanying Statement of unaudited Consolidated Financial Results of S Chand And Company Limited (the "Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), for the quarter ended June 30, 2020 and year to date from April 01, 2020 to June 30, 2020 (the "Statement") attached herewith, being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended (the "Listing Regulations").
- 2. This Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 (the "Circular") issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable

4. Basis for qualified conclusion

As explained in the note 12 of the consolidated financial results, due to travel restrictions and impracticability to travel on account of COVID-19 as at March 31, 2020 and due to significant business activities subsequent to year-end, the management could not perform physical count of inventory as at June 30, 2020 through to the date of approval of these financial statements. Accordingly, we were not able to observe the physical count of inventory, therefore, we were unable to verify the existence/condition of inventories of Rs. 296.60 million raw material, Rs. 1494.47 million finished goods, Rs. 117.74 million traded goods to determine adjustments that may be required to be made in the value of inventory and consequential effect thereof to the financial statements as at June 30, 2020. Our audit report for March year end and guarter was also modified in respect of this matter.

Based on our review conducted and procedures performed as stated in paragraph 4 above and based on the consideration of the review of other auditors referred to in paragraph 8 and 9 below, except for the effects of our observations in para 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standard specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Our conclusion is not modified in respect of this matter

	The Group as part of its policy performs physical verification of inventory bi-annually in September and March every year. Accordingly, the management, had carried out physical verification of inventory for the period ended 30 September 2019, The management has, therefore, relied upon the inventory count reflected in its books of accounts, which is the balancing figure for the opening, purchases and the inventory consumed / sold during the financial year.
	The management intends to complete the physical verification process in the subsequent quarter and does not expect any significant impact which could arise on completion of this process
